The Chief and Attorney Matura reviewed the proposed contract. TBFD and PSFD Board Members asked questions to clarify certain sections of the potential contract. TBFD and PSFD Board Members also requested some potential changes to the contract including:

- PSFD Board Members requested that a line item 6 be added to Section 2 under the PSFD’s Responsibilities and Obligations on page 2. This line item would state: “PSFD agrees to provide the availability of a PSFD vehicle designated for the Fire Chief during the term of this Agreement. PSFD agrees to pay for fuel and maintenance costs during the term of the Agreement.” Chief Stoltenberg and Attorney Matura will modify the verbiage.
- PSFD Chairman Bob Papke requested a change on page 3 under Section 2, Jointly the TBFD and PSFD Mutually Agree, item 3. The PSFD Board by-laws state that the PSFD Chairman is the CEO of PSFD and not the Fire Chief. Chief Stoltenberg and Attorney Matura will modify the verbiage.
- PSFD Board Members requested that the verbiage under Section 5, Duties, page 4 be modified to remove the word “solely” and to ensure that the Chief works under the guidance of the Boards. Chief Stoltenberg and Attorney Matura will modify the verbiage.
- Chief Stoltenberg will add the mailing address, P.O. Boxes, for both TBFD and PSFD under Section 9, Termination on page 5.
- Both Boards agreed that there needed to be a “Pause of Contract” mechanism added to the contract to protect each Board during unforeseen events. Chief Stoltenberg and Attorney Matura will modify the verbiage.
